

Devotee Management Application

Form Building

The application is built by utilizing Zoho Creator's drag and drop features and a bit of coding using deluge script language .

Further more about the process is explained below with the help of screenshots.

Devotee id is an auto generated number which increments automatically for every devotee registered

Help

- Workflows are basically the set of actions or works that can be performed for certain purposes/conditions are met.
- There are 3 workflows associated with the devotee form

One for validating date of birth.

The other two is to either display or keep the subform for filling out the family members details hidden based on a devotee choice.

[Help](#)

[Devotee details](#) > [Created or Edited](#) > [Validations on form submission](#) > [validate dob](#)

Actions will be executed to validate field values on form submission. [Learn more](#)

Execute only if **DOB is not null**

fx Deluge script

```
0 if(input.DOB > zoho.currentdate)
1 {
2     alert "Enter Valid Date Of Birth";
3     cancel submit;
4 }
5
```

Execute only if **DOB6 is not null**

fx Deluge script

```
0 if(input.DOB6 > zoho.currentdate)
1 {
2     alert "Enter Valid Date Of Birth";
3     cancel submit;
4 }
5
```

Execute only if **DOB7 is not null**

[Devotee details](#) > [Created or Edited](#) > [Field rules](#) > **wk1**

Actions will be executed on form load and on user input of any of the fields participating in the condition. [Learn more](#)

Execute only if **Want_to_enter_family_details == true**

Show fields **[Enter_the_number_of_family_members]**

[Add New Action](#)

[Devotee details](#) > [Created or Edited](#) > [Field rules](#) > [wk2](#)

Actions will be executed on form load and on user input of any of the fields participating in the condition. [Learn more](#)

Execute only if `Enter_the_number_of_family_members == 2`

Show fields `[Member_1, Member_2]`

Execute only if `Enter_the_number_of_family_members == 3`

Show fields `[Member_1, Member_2, Member_3]`

Execute only if `Enter_the_number_of_family_members == 4`

Show fields `[Member_2, Member_1, Member_3, Member_4]`

Execute only if `Enter_the_number_of_family_members == 5`

Show fields `[Member_3, Member_2, Member_1, Member_4, Member_5]`

Execute only if `Enter_the_number_of_family_members == 6`

Pooja and payment from has also workflows associated with them.

Can be accessed via phone

The screenshot displays a mobile application design interface. The top navigation bar includes a search icon, a plus icon, and tabs for 'Design', 'Workflow', and 'Settings'. On the right, there are buttons for 'Upgrade', 'Share', and 'Access this application'.

The main canvas shows a mobile app form titled 'Devotee details' with a 'Back' button. The form is divided into a 'Personal Details' section and a list of input fields:

- Devotee id: Enter a value
- Devotee na...: First Name
- Last Name
- Address*: Address Line 1
- Address Line 2
- City / District
- State / Province
- Postal Code
- Country

On the right, the 'Form Customization - Phone' panel is open, showing 'Label placement' options for 'IOS' and 'ANDROID' with various input field layouts.

At the bottom, a status bar indicates 'Trial has expired' and provides links to 'Upgrade', 'Help', and a keyboard icon.

Can be accessed via tablet

The screenshot displays a mobile application design interface. The top navigation bar includes a menu icon, the text "Devotee Management S...", a plus icon, and tabs for "Design", "Workflow", and "Settings". On the right of the top bar are buttons for "Upgrade", "Share", and "Access this application". Below the top bar, on the left, are icons for desktop, mobile, and tablet views. The main workspace shows a tablet view of a "Devotee details" form. The form has a "Back" button and a title "Devotee details". It contains a "Personal Details" section with the following fields: "Devotee id" (placeholder: "Enter a value"), "Devotee name" (placeholder: "First Name", "Last Name"), "Address" (placeholder: "Address Line 1", "Address Line 2", "City / District", "State / Province", "Postal Code", "Country"), "Phone" (placeholder: "+91", "0123456789"), "Email" (placeholder: "Enter email address"), and "Gender" (placeholder: "Select value"). On the right side of the workspace is a "Form Customization - Tablet" panel. It has a "Label placement" section with two columns, "IOS" and "ANDROID", showing different input field styles. Below these are two more input field styles. The bottom of the screen features a "Chats" icon, a "Contacts" icon, and a message "Here is your Smart Chat (Ctrl+Space)". The bottom right corner contains the text "Trial has expired | Upgrade" and a "Help" button.
